

INDEX TO LEGISLATION RE CIA BUILDING

27 Jul 56

P.L. 814, 84th Congress, Chapter III - Appropriation for construction of CIA headquarters building for the preparation of detail plans and specifications and the construction of a CIA headquarters installation, and for other purposes as authorized by Title IV of the Act of July 15, 1955 (69 Stat. 349), to remain available until expended, \$49,000,000

INDEX TO LEGISLATION RE CIA BUILDING

- 12 May 56 H. Document 403 - Proposed appropriations for preparation of detail plans and specifications & construction of CIA headquarters installations. \$49,000,000
- Jun 56 House Hearings on H.R. 12138.
- Jul 56 Senate Hearings on H.R. 12138.
- 7 Jul 56 H.R. 12138 (Union Calendar No. 1062), Chapter III - Construction of CIA headquarters installation. \$49,000,000
- 7 Jul 56 H. Report 2638, Chapter III - Includes full budget estimate of \$49,000,000 for proceeding with the construction of CIA headquarters building. This amount represents balance of total of \$54,500,000 authorized although committee informed increase in amount authorized will be requested of Congress next fiscal year.
- 13 Jul 56 H.R. 12138 (Calendar No. 2620), Chapter III - Construction of CIA headquarters installation. \$49,000,000
- 14 Jul 56 S. Report 2580, Chapter III - Committee approves \$49,000,000 for construction of CIA headquarters building. The committee approves \$49,000,000, the budget estimate and the amount allowed by the House of Representatives for construction of the headquarters for the CIA. The committee directs that the Agency shall plan to house all headquarters personnel of the Agency within the sum provided. The committee further directs that none of these funds shall be obligated or spent until the Chairman of the National Capital Planning Commission shall certify that written commitments have been obtained from the appropriate local authorities for the financing and construction of roads, sewerage treatment plants, public transport, and other local facilities which are deemed necessary by the Commission to serve the site selected.
- 21 Jul 56 H. Report 2861, Chapter III - Conference Committee approves of \$49,000,000, the amount allowed by the House of Representatives and the Senate for construction of the headquarters for the CIA. The committee directs that the Agency make every effort to construct a building to accommodate all of its headquarters personnel within the sum provided, and directs that none of these funds be spent in such a way as to make it necessary for the Congress to authorize additional funds at a later date. The committee further directs that none of these funds be obligated or spent until the DCI has obtained from the appropriate local authorities written commitments for the construction of roads, sewage treatment plants, public transport, and other local facilities which are deemed necessary to serve the site selected.
